HOME SECURITY MONITORING AND EQUIPMENT SERVICES AGREEMENT

SentinelGuard Home Protection, LLC

Residential Subscriber Agreement, Form SG-RSA-2026 (Rev. 04/26)

This Home Security Monitoring and Equipment Services Agreement (the "Agreement") is entered into as of the Effective Date set forth on the Subscriber Information Schedule by and between SentinelGuard Home Protection, LLC, a Delaware limited liability company with its principal place of business at 4400 Meridian Parkway, Suite 900, Dallas, Texas 75201 (together with its affiliates, successors, and assigns, the "Company"), and the individual(s) identified on the Subscriber Information Schedule (the "Subscriber"). By signing, electronically accepting, or permitting installation of the System, Subscriber acknowledges that Subscriber has read, understood, and agreed to be bound by all terms herein.

ARTICLE I – DEFINITIONS AND INTERPRETATION

1.1 Defined Terms. As used in this Agreement: (a) "Services" means the alarm monitoring, signal-routing, mobile application access, and related services described in the Service Plan Schedule; (b) "System" means the control panel, sensors, cameras, keypads, sirens, and associated hardware installed at the Premises; (c) "Premises" means the residential address identified on the Subscriber Information Schedule; (d) "Initial Term" has the meaning given in Clause 2.2; (e) "Renewal Term" has the meaning given in Clause 3.1; and (f) "Monthly Service Fee" means the recurring charge for the Services as stated in Clause 2.3, as such charge may be adjusted pursuant to this Agreement.

1.2 Interpretation. Headings are for convenience only and shall not affect the construction of this Agreement. The words "including" and "includes" shall be deemed followed by "without limitation." No provision shall be construed against the Company solely because the Company drafted this Agreement.

1.3 Entire Schedule Incorporation. The Subscriber Information Schedule, the Service Plan Schedule, the Equipment Schedule, and the Company's Privacy and Data Practices Statement, as amended from time to time and available at the Company's website, are incorporated herein by reference.

ARTICLE II – SERVICES, TERM, AND CHARGES

2.1 Provision of Services. Subject to the terms herein, the Company shall furnish the Services to the Subscriber at the Premises. The Company may subcontract any portion of the Services, including central station monitoring, to third-party providers without notice to Subscriber.

2.2 Initial Term. This Agreement shall commence on the date the System is first activated (the "Activation Date") and shall continue for a minimum commitment period of thirty-six (36) consecutive months (the "Initial Term"). Subscriber acknowledges that the Initial Term constitutes a material inducement for the Company's provision of the System at a reduced upfront cost.

2.3 Monthly Service Fee. During the Initial Term, Subscriber shall pay the Company a Monthly Service Fee of fifty-four dollars and ninety-nine cents ($54.99), plus applicable taxes, surcharges, and regulatory recovery fees. The Monthly Service Fee is billed in advance on the same calendar day each month, or on such other schedule as the Company may designate.

2.4 Activation and Installation Fee. Upon execution of this Agreement, Subscriber shall pay a one-time activation and installation fee of one hundred forty-nine dollars ($149.00) (the "Activation Fee"). The Activation Fee compensates the Company for administrative processing, account provisioning, and technician dispatch and is fully earned upon execution of this Agreement. THE ACTIVATION FEE IS

NON-REFUNDABLE UNDER ALL CIRCUMSTANCES, including cancellation by Subscriber during any statutory or voluntary review period, except as may be required by non-waivable applicable law.

2.5 Fees and Surcharges. In addition to the charges above, Subscriber agrees to pay: (a) a monthly equipment protection and network maintenance fee of $4.50; (b) a late payment charge of the greater of $12.00 or 1.5% per month on any overdue balance; (c) a returned payment fee of $35.00 per dispute or failed transaction; and (d) any False Alarm Penalties assessed by municipal authorities as a result of alarm signals originating from the Premises.

2.6 Method of Payment. Subscriber authorizes the Company to charge the payment method on file for all amounts due hereunder, including recurring and ad hoc charges, and agrees to keep such payment information current. Subscriber waives any requirement for prior notice of individual charges that conform to this Agreement.

ARTICLE III – RENEWAL AND ADJUSTMENT OF CHARGES

3.1 Automatic Renewal. Upon expiration of the Initial Term, this Agreement shall automatically renew for successive renewal periods of twelve (12) months each (each, a "Renewal Term"), unless terminated in accordance with Clause 5.1. Automatic renewal shall occur without further notice or action by either party, and each Renewal Term shall be subject to all terms of this Agreement.

3.2 Renewal Adjustment. Effective as of the first day of each Renewal Term, the Monthly Service Fee shall increase by nine percent (9%) over the Monthly Service Fee in effect during the immediately preceding term. Subscriber acknowledges that the foregoing adjustment is a bargained-for component of the pricing structure and does not constitute a unilateral modification requiring separate notice or consent.

3.3 Other Rate Changes. In addition to Clause 3.2, the Company reserves the right, upon thirty (30) days' notice delivered by any reasonable means (including bill message, email, or in-application notification), to modify any fee, surcharge, or recurring charge to reflect increases in third-party costs, taxes, or telecommunications carrier charges. Continued use of the Services after the effective date of a modification constitutes acceptance.

ARTICLE IV – EQUIPMENT, ACCESS, AND SUBSCRIBER OBLIGATIONS

4.1 Title to Equipment. Unless the Equipment Schedule expressly states otherwise, all components of the System remain the sole and exclusive property of the Company. Subscriber shall hold the System in trust and shall not sell, encumber, relocate, modify, or permit repair of the System by any person other than a Company-authorized technician.

4.2 Premises Access and Connectivity. Subscriber shall maintain continuous electrical power and a functioning broadband internet or cellular connection at the Premises. The Company shall have no obligation to provide Services during any period in which the System cannot communicate with the central station due to outages, interference, or Subscriber's failure to maintain connectivity.

4.3 Testing. Subscriber is solely responsible for testing the System at least once per month in accordance with the user guide and for promptly notifying the Company of any malfunction.

4.4 Loss or Damage. Subscriber shall bear the risk of loss, theft, or damage to the System from the date of installation. In the event of loss or damage, Subscriber shall pay the replacement value of the affected components as set forth in the Equipment Schedule.

ARTICLE V – CANCELLATION AND TERMINATION

5.1 Notice of Non-Renewal. To prevent automatic renewal under Clause 3.1, Subscriber must deliver written notice of non-renewal to the Company not less than sixty (60) days and not more than ninety (90)

days prior to the expiration of the then-current Initial Term or Renewal Term. Such notice shall be effective only if sent by certified United States mail, return receipt requested, to the Company's Contract Administration Department at the address stated in the preamble, and shall include the Subscriber's name, Premises address, account number, and a signature. Notice provided by telephone, email, online chat, mobile application, or to any employee, technician, or sales representative shall be of no force or effect. Notice received less than sixty (60) days before the end of the term shall be deemed untimely, and the Agreement shall renew for the full Renewal Term.

5.2 Early Termination Fee. If this Agreement is terminated prior to the expiration of the Initial Term for any reason, including termination by Subscriber for convenience, relocation of Subscriber, death or disability of Subscriber, or termination by the Company due to Subscriber's default, Subscriber shall pay, as liquidated damages and not as a penalty, an early termination fee equal to seventy-five percent (75%) of the aggregate Monthly Service Fees that would have become due for the remainder of the Initial Term (the "Early Termination Fee"). The Early Termination Fee shall be immediately due and payable and may be charged to the payment method on file. Subscriber acknowledges that the Company's actual damages would be difficult to ascertain and that this amount represents a reasonable pre-estimate thereof. A termination during any Renewal Term shall likewise trigger an Early Termination Fee calculated on the remaining months of such Renewal Term.

5.3 Equipment Recovery. Upon termination for any reason, Subscriber shall, within ten (10) days, permit the Company to retrieve the System or return the System at Subscriber's expense. Failure to do so shall result in a non-return charge of $325.00, which shall be in addition to, and not in lieu of, the Early Termination Fee.

5.4 Suspension. The Company may suspend the Services immediately, without liability, if any amount is more than ten (10) days past due, and suspension shall not relieve Subscriber of any payment obligation hereunder.

5.5 Survival. Clauses 2.4, 5.2, 5.3, and Articles VI through X shall survive any termination or expiration of this Agreement.

ARTICLE VI – REFUNDS AND PREPAYMENTS

6.1 Prepaid Amounts Non-Refundable. All amounts paid in advance, including Monthly Service Fees, annual prepayments, equipment protection fees, and the Activation Fee, are strictly non-refundable and shall not be prorated or credited upon termination, suspension, downgrade, or cessation of Services for any reason.

6.2 Limited Exception. Notwithstanding Clause 6.1, the Company shall refund the unused portion of prepaid Monthly Service Fees solely if (a) the Company, through its own fault, permanently fails to complete activation of central station monitoring within fourteen (14) days of the scheduled installation date, and (b) Subscriber submits a written refund request by certified mail within thirty (30) days of such scheduled installation date. No other circumstance, including System malfunction, service interruption, dissatisfaction, or change in Subscriber's circumstances, shall entitle Subscriber to a refund or credit.

ARTICLE VII – DISCLAIMERS AND LIMITATION OF LIABILITY

7.1 Not an Insurer. The Company is not an insurer. The Services and System are designed to reduce, but not eliminate, certain risks and are not a guarantee against burglary, fire, intrusion, or any other occurrence. Subscriber acknowledges that the fees charged are based solely on the value of the Services and are unrelated to the value of Subscriber's property.

7.2 Disclaimer of Warranties. EXCEPT AS EXPRESSLY STATED HEREIN, THE SERVICES AND SYSTEM ARE PROVIDED "AS IS" AND "AS AVAILABLE." THE COMPANY DISCLAIMS ALL

WARRANTIES, EXPRESS OR IMPLIED, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

7.3 Limitation of Liability. IN NO EVENT SHALL THE COMPANY'S AGGREGATE LIABILITY ARISING OUT OF OR RELATING TO THIS AGREEMENT, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, OR OTHERWISE, EXCEED THE GREATER OF (A) FIVE HUNDRED DOLLARS ($500.00) OR (B) THE TOTAL MONTHLY SERVICE FEES PAID BY SUBSCRIBER IN THE THREE (3) MONTHS PRECEDING THE EVENT GIVING RISE TO THE CLAIM. THE COMPANY SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES, INCLUDING LOSS OF PROFITS OR PROPERTY, EVEN IF ADVISED OF THEIR POSSIBILITY.

7.4 Indemnification. Subscriber shall defend, indemnify, and hold harmless the Company, its officers, employees, and subcontractors from any third-party claim arising from Subscriber's use of the Services, the acts of any occupant or guest of the Premises, or any breach of this Agreement.

7.5 Time Limitation on Claims. Any claim arising under this Agreement must be commenced within one (1) year after the cause of action accrues, or it shall be permanently barred.

ARTICLE VIII – DATA, PRIVACY, AND COMMUNICATIONS

8.1 Collection of Data. Subscriber consents to the Company's collection, retention, and use of System event logs, video and audio recordings, device identifiers, geolocation data, and usage analytics generated by or in connection with the System.

8.2 Sharing with Third Parties. Subscriber authorizes the Company to disclose and share Subscriber's personal information and System data with its affiliates, marketing partners, insurance carriers, data brokers, analytics providers, and law enforcement or governmental authorities, for purposes including service improvement, advertising, risk scoring, and product development. The Company may de-identify and aggregate such data and use or sell it without restriction. Subscriber may request limitation of certain sharing through the process described in the Privacy and Data Practices Statement, to the extent permitted by applicable law.

8.3 Consent to Contact. Subscriber consents to receive calls, text messages, prerecorded messages, and emails from the Company and its partners at any number or address provided, including via automated dialing technology, for servicing, billing, and promotional purposes. Consent is not a condition of purchase where prohibited by law.

8.4 Call Recording. Subscriber consents to the recording and monitoring of all communications with the Company's personnel and the central station.

ARTICLE IX – DISPUTE RESOLUTION

9.1 Mandatory Binding Arbitration. Except as provided in Clause 9.4, any dispute, claim, or controversy arising out of or relating to this Agreement, the Services, or the relationship between the parties shall be resolved exclusively by final and binding arbitration administered by the American Arbitration Association under its Consumer Arbitration Rules. The arbitration shall be conducted in Dallas County, Texas, unless otherwise agreed or required by law.

9.2 Class Action and Jury Trial Waiver. SUBSCRIBER AND THE COMPANY EACH WAIVE THE RIGHT TO A TRIAL BY JURY AND THE RIGHT TO PARTICIPATE IN ANY CLASS, COLLECTIVE, CONSOLIDATED, OR REPRESENTATIVE PROCEEDING. The arbitrator shall have no authority to preside over any form of class or representative proceeding.

9.3 Costs. Each party shall bear its own attorneys' fees and costs, and filing and arbitrator fees shall be allocated in accordance with the AAA rules, provided that the arbitrator may award the Company its reasonable attorneys' fees and costs if a Subscriber claim is determined to be frivolous.

9.4 Small Claims; Collection. Either party may bring an individual action in small claims court. Nothing herein shall prevent the Company from seeking collection of unpaid amounts, injunctive relief, or recovery of the System in any court of competent jurisdiction.

ARTICLE X – GENERAL PROVISIONS

10.1 Force Majeure. The Company shall not be liable for any delay or failure in performance resulting from causes beyond its reasonable control, including acts of God, fire, flood, severe weather, earthquake, pandemic, epidemic, war, terrorism, civil disturbance, labor disputes, governmental action, utility or telecommunications failure, cyberattack, power outage, or failure of third-party carriers or subcontractors. Subscriber's payment obligations shall not be suspended or abated by any such event.

10.2 Severability. If any provision of this Agreement is held invalid, illegal, or unenforceable, such provision shall be enforced to the maximum extent permissible, and the remaining provisions shall continue in full force and effect.

10.3 Assignment. The Company may assign this Agreement, in whole or in part, to any third party without notice to or consent of Subscriber, including to a financing company that may thereafter enforce the payment obligations hereunder free of any defense Subscriber may have against the Company. Subscriber may not assign this Agreement without the Company's prior written consent.

10.4 Governing Law. This Agreement shall be governed by the laws of the State of Texas, without regard to conflict-of-law principles, and by the Federal Arbitration Act with respect to Article IX.

10.5 Amendments; Waiver. The Company may amend this Agreement upon posting revised terms on its website; continued use of the Services shall constitute acceptance. No waiver by the Company of any breach shall be deemed a waiver of any subsequent breach. No modification by Subscriber shall be effective unless signed by an authorized officer of the Company.

10.6 Notices. Notices to Subscriber may be delivered by email, text message, in-application message, or first-class mail to the most recent contact information on file and shall be deemed received twenty-four (24) hours after transmission. Notices to the Company must conform to Clause 5.1 or as otherwise specified herein.

10.7 Entire Agreement. This Agreement, together with the incorporated schedules, constitutes the entire agreement between the parties and supersedes all prior or contemporaneous oral or written representations, including statements made by sales personnel, advertisements, or promotional materials.

10.8 Counterparts; Electronic Signature. This Agreement may be executed in counterparts and by electronic signature, each of which shall be deemed an original.
